

**Year 7 Catch-Up funding 2017-18
(£500 X 8 =Total Funding; £4,000)**

Target	Action	Timeline	Resource Implications	Success Criteria	Monitoring and Evaluation
<ul style="list-style-type: none"> To close the gap between the individual student's Year 6 attainment and national expectations. 	<ul style="list-style-type: none"> Deploy Learning Mentor to plan and implement interventions; <ul style="list-style-type: none"> In-class focused support in maths and English 1:1 interventions (Writing, Inference, Nesy, Easimaths, Catch up reading) 	July 2018	<ul style="list-style-type: none"> Salary (part) for Learning Mentor 2 hours per day; £10.92 per hr, £109.20 per wk, £4149.60 for 38 weeks. 	<ul style="list-style-type: none"> Progress tracking shows that students are making at least expected progress from starting points. 	<ul style="list-style-type: none"> Termly progress reports to Principal and AAC Report to Secondary Director of Standards

IMPACT OF FUNDING

<u>Subject</u>	<u>Percentage of students who made expected progress</u>	<u>Percentage of students who made more than expected progress</u>
Reading	37.5%	50%
Mathematics	62.5%	12.5%

Data analysis shows that the vast majority of students made at least expected progress from their starting points, and particularly in reading a significant number of students made more than expected progress, therefore closing the gap.
