

Time traveller

<p>Talk to members of your family to find out what has changed since they were 10 years old. What has changed and what has stayed the same? Is the world a better place now?</p>	<p>Take a look at some old family photographs. Create a timeline for your family showing important events such as births, marriages or house moves.</p>	<p>Research some scientific arguments about time travel. Do you think it will ever be possible?</p>	<p>Take photographs of as many different watches as you can find and create a montage.</p>	<p>Design a watch of your own. Try to incorporate some exciting new functions!</p>
<p>If you could travel to any time period, anywhere in the world, where would you go? Make a scrap book of your chosen period and explain what you would do while you were there.</p>	<p>Write an autobiography of your life so far.</p>	<p>Read 'Boy' by Roald Dahl, his own autobiography. What is similar to your life and how is it different?</p>	<p>Time yourself doing different activities at home. Create a pie chart to show the proportion of time each day you spend eating, sleeping or at school. What would a pie chart of your perfect day look like?</p>	<p>Find out about some of the most important technological inventions of the last century, such as mobile phones, GPS, MRI scans and the World Wide Web. Can you imagine life without them now?</p>
<p>Conduct a survey of your family and friends to find out which aspect of technology they would miss most if they had to live without it.</p>	<p>Draw and label a design for a product of the future. What would it do? How would it make life easier?</p>	<p>What is your earliest memory? Video yourself talking about it or write it down as a diary entry. Compare your earliest memory with other people in your class.</p>	<p>Create portraits of members of your family. Will you draw, paint, take photographs or use computer software?</p>	<p>Dr Who is a famous, fictional, time traveller. Watch an episode and write a review to share with your class.</p>
<p>If you were travelling to the future what 5 things would you want to take with you and why?</p>	<p>Before 'google' people often used encyclopaedias to find new information. Find one in the library and try to learn some new facts to share with your class.</p>	<p>Ask your family members about their favourite time travel movie or tv programme. Try to watch something together and write a review.</p>	<p>Space Oddity is a famous song by David Bowie. Find out about when it was popular, why and write your own review.</p>	<p>Draw a detailed picture of what you think a house will look like in 2050. How will things have changed? How do you think people will travel?</p>
